| L-carnitine                           | 1.2        | mg      |

## Good to know

Don't worry about taste or smell. Our whole goat milk based infant formulas are just as pleasant as regular infant formulas based on cow's milk. The rapid processing of the fresh goat milk ensures that Jovie Goat formulas are not known to have a 'goaty-like' taste or smell.
